Team Practices:

Team Practices are at the discretion of each team. While they are not required, we highly encourage practices for the advancement of your game. However, practice times are limited each season. In the event that TCSP has more practice requests than times available, a lottery will be held at the same time as the team lottery, or four weeks before team confirmation forms are due. Team practices can be arranged by emailing our team coordinator at teams@tenniscentersandpoint.com. Cup Teams practicing out of TCSP will be required to have a minimum number of 12 practicing players in order to reserve the practice time. Tennis Center Sand Point has the right to place players on teams when necessary.

Team Practice Payments:

Tennis Center Sand Point will set the practice schedules for each team for the entire season. Team practices will run on the same schedule as the Cup Tennis league calendar. Team members will be charged for the entire practice session at once or as determined by the team coordinator. Players will pay \$20.00 per week of play for a two court practice with a TCSP coaching professional.

Match Fees

Match fees are listed below. Teams will be responsible for paying for the entire match fee in one transaction. The TCSP front desk staff will charge home teams individually if all team members have a house charge set up with a credit card on file.
