

**HIGH PERFORMANCE
SUMMER CAMP**
HP@TENNISCENTERSANDPOINT.COM

Tennis

The HP Summer Camps are 2-hour intensive on-court workouts designed to work on every aspect of their game. Players can choose either half-day (morning or afternoon) practices, or full-day practices. **Please be aware that morning and afternoon practices differ in focus.*

- Morning practice — Focuses on drills that concentrate on various aspects of the game. For example; consistency, offense, defense, transition game, and serves & returns.
- Afternoon practice — Focuses on constructing points, match play strategies, and an opportunity to apply mental skills training.

Mental

Mental training sessions help players develop mental toughness and teaches them methods to keep the mind clear of distractions.

- Relaxation exercise
- Imagery training
- On-court mental skills to deal with anxiety, frustration, and nerves
- Goal setting for tennis, mental, and fitness
- Establishing a performance routine for each individual

Fitness

Fitness sessions focus on developing player's speed, endurance, and core strength. Investing in fitness will have direct impact in a player's match play, confidence, and longevity. Training will emphasize: agility, speed, reflex, core,
