

Tennis Center Sandpoint USTA Tennis Team Guidelines

All team members must be current TCSP members.

Tennis Center Sand Point hosts approximately 22 USTA teams during each season.

Team applications are subject to an annual lottery for a place at TCSP.

Captain and Player responsibilities:

1. All players on a USTA team must be current TCSP members to be accepted on a team roster.
2. A player may only play on one TCSP hosted USTA team during a season.
3. A player may sub up on a second TCSP USTA team, however a player can only practice with one team during that season.
4. The captain will attend league meetings and is responsible for relaying information to their teams.
5. Team captains are to contact visiting team captains to share club information such as match fees and policies.
6. A match form will be filled out with the front desk for billing. For the home team, match fees are billed to individual member accounts. In the event a member does not have a current account, the team captain is responsible for match payment.
Current match fees: \$15 per player (includes WA state sales tax)
7. Visiting teams must fill out a waiver and pay for the match fee in one payment.
8. Cancellations:

Any court cancelled with less than a 24 hour notification will be charged in full. A visiting team is not responsible for payment if the home

team forfeits. If the visiting team forfeits, it is the captain's responsibility to collect the court fee if cancelled after the 24 hour mark.

Please try to avoid any match or court cancellations.

9. USTA matches are 90 Minute court times. Please use the USTA recommended 7 minute warm up to have a strong chance of completing the match within the 90 minutes.
10. Overflow courts are not provided by TCSP. Please check with the front desk for opportunities to use an open court for overflow after the allotted match time expires.
11. Practices: Team practices are optional. If a team chooses to practice at TCSP, the practice will be held once a week and players will be responsible to pay for the session in one payment during the first week of practices. Practices are weekly and run \$22 per player for two courts with a TCSP coaching professional.

Team Requests:

1. TCSP hosts approximately 22 USTA teams a session.
2. Players who wish to be on a team can e-mail the league coordinator, with the current playing level or league request and be placed on the waiting list.
